Notice of Availability and Award of Funds

Federal Fiscal Year (FFY) 2023 Victims of Crime Act Grant Program

Take notice that in compliance with the Federal Victims of Crime Act (VOCA) of 1984, 34 U.S.C. §§ 20101, et seq., the Department of Law and Public Safety (Department) announces the availability and award of the following non-competitive subaward funded by FFY23 VOCA program funds:

New Jersey Statewide Domestic Violence Hotline	\$225,000
---	------------------

\$225,000 in grant funding will be offered to Womanspace, Inc. to support the New Jersey Statewide Domestic Violence Hotline Program. The funding supports the 24-hour a day, seven-days a week confidential hotline service for domestic violence victims and others seeking information about domestic violence. The hotline provides a bilingual service and is also accessible to the hearing impaired. Funding is provided on a reimbursement basis only and is contingent upon subrecipient application submission, compliance with grant conditions, and satisfactory performance of services. This is a non-competitive grant program because the 1-800-572-SAFE toll-free number has been established as the Statewide Domestic Violence Hotline, and continuing the program as a non-competitive grant assures there is no gap in service for victims. The funding allocation is for a 12 month period from January 1, 2025 to December 31, 2025.

Eligible applicants will receive application packages from the Office of the Attorney General, notifying the agency of the award. Notifications will be emailed no later than September 6, 2024. The application **must** be returned within 60 days of the date on the application letter. **Use only the space provided on the Project Information Form when submitting applications.** The application must be returned by email to voqa@njoag.gov.

Eligible recipients of the non-competitive FFY23 VOCA program funds will receive application guidelines and all required application forms, via mail or e-mail, that must be completed and submitted by the established due date. An applicant that is designated as a high-risk grantee by L&PS is to submit a separate attachment to its application, information that L&PS will use, among other pertinent information, to determine whether it will consider or select the application for an award under this solicitation. The file should be named “L&PS High-Risk Grantee Applicant Disclosure and Justification”. Upon approval of project narrative and budget, applicants will receive subaward contract documents for approval and signature. Subrecipients must comply with programmatic and fiscal reporting requirements for approval and/or reimbursement of costs incurred during the project period. **All subrecipients will be required to supply matching funds of twenty percent towards their project. Grant extensions are not permitted.** The submitted applications may be subject to disclosure pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq.

The address* of the office receiving the application:

*The complete application must be returned by email to voqa@njoag.gov.

Award notifications will be made on or about November 8, 2024.

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability to the Department of funds appropriated by the State or Federal legislature from State and/or Federal revenue or such other funding sources as may be applicable. A failure of the Department to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Department or an event of default under a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Department beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Department to expend funds beyond the termination date set forth in a grant agreement.
