Notice of Availability of Funds

2025 Summer Expansion Programming

Take notice that in compliance with N.J.S.A. 52:14-34.4, the Department of Law & Public Safety (LPS), through the Juvenile Justice Commission (JJC) in conjunction with the Governor's Juvenile Justice and Delinquency Prevention (JJDP) Committee, hereby announce the availability of the following grant program funds:

a. Name of the Program: 2025 Summer Expansion Programming.

b. Purpose

This initiative aims to provide positive youth development activities to young people who are at risk of involvement with or currently involved in the youth justice system. When schools are closed, young people need opportunities to grow, learn, and have fun. This grant funding is specifically designed to support community-based program providers in expanding their existing services during the summer months. Eligible applicants must currently provide services to youth and are expected to either increase the level of service or add an additional component to their existing programming.

c. Funding available: Up to \$541,635 (Up to \$180,545 per region).

- Start and end date: May 1, 2025 to September 30, 2025. There will be no extension of the grant period.
- Award amounts will be determined based on the number of successful applicants and will be at least \$5,000, and no more than \$30,000 per applicant, per region.
- To equitably distribute funds statewide, up to \$180,545 will be awarded regionally on a competitive basis. To ensure that all funds are awarded, any balance of funds may be

distributed among successful applicants within that region and/or may be awarded to another region.

- If an applicant is applying for more than one region, they must submit one application per region.
- Requests for more than \$30,000 will be rejected without funding consideration.
- **Please note this is a reimbursement grant.**
- It is **not** expected that services will be provided for the entire region. Applicants may choose a specific community/neighborhood, municipality, cluster of municipalities, county, or a cluster of counties, as areas to be served.
- For the purposes of this Notice of Availability of Funds (NOAF) and the application review, the regions will be categorized as:
 - **Northern Regional Counties:** Bergen, Essex, Hudson, Morris, Passaic, Sussex, and Warren;
 - **Central Regional Counties:** Hunterdon, Mercer, Middlesex, Monmouth, Ocean, Somerset, and Union; and
 - **Southern Regional Counties:** Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, and Salem.

d. Subject to Appropriations

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability to the JJC of funds appropriated by the State or Federal Legislature from State and/or Federal revenue or such other funding sources as may be applicable. A failure of JJC to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal Legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by JJC or an event of default under a grant agreement, and JJC shall not be held liable for any breach of a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from JJC beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by JJC to expend funds beyond the termination date

set in a grant agreement.
